

A workshop with the Supervisors and Auditors was held Tuesday, August 7, 2012 at 7:00 p.m. in the Township Building. The workshop was advertised as required by law. Those present were Jim Fuller, Annette Mullen, Vicki Jenkins, Kent Johnson, Erin Jenkins, Dave Jenkins, Dexter Potter, Dianne Dahlin and Darlene Johnson.

The purpose of the workshop is to start on a Township Employee Handbook. Three sample handbooks have been received.

Barry Schrope could not be at tonight's workshop but left a note stating he feels Wheatfield Township should follow Carroll Townships handbook.

Jim Fuller stated he has read over all 3 samples and feels they should follow Carroll Township's handbook as well, that it is geared more towards the township.

Erin Jenkins stated it would be less to be created by using one of the handbooks from the other townships, but also stated there are good ideas in the sample provided by Kent.

Annette Mullen stated Penn and Carroll's are basically the same and she would rather use some things from the Penn Township handbook.

Kent Johnson stated they should go through all three and keep what is wanted.

The supervisors and auditors proceeded to go through each handbook.

Workshop adjourned at 9:15 p.m.

Respectfully Submitted,

Vicki L. Jenkins
Twp. Secretary
