

A workshop with the Supervisors was held Friday, February 22, 2013 at 8:00 a.m. in the Township Building. The workshop was advertised as required by law. Those present were Barry Schrope, Jim Fuller, Annette Mullen, Vicki Jenkins, Bob Rhoades, Marty Smith, Dexter Potter and Darlene Johnson.

The purpose of the workshop was to review applications/resumes received for the road master position.

Barry Schrope stated the supervisors have received 17 applications.

Each of the supervisors chose the applicants they would like to interview and then narrowed it down from there. After much discussion on each application 8 applicants were chosen for an interview. The interviewing process will begin next week.

Marty Smith asked the supervisors about calling the applicants employers, stating it could possibly hurt the employee in their current job position.

Darlene Johnson asked if the board needs to approve the fee for going on line for driver's records. Workshop adjourned at 9:20 a.m.

Respectfully Submitted,

Vicki L. Jenkins
Twp. Secretary
