

A special meeting with the Supervisors was held Tuesday, September 9, 2014 at 8:00 a.m. in the Township Building. The special meeting was advertised as required by law in the local paper. Those present were Barry Schrope, Jim Fuller, Annette Mullen, Vicki Jenkins, Lester Nace, Jeff Smith and Bob Rhoades.

There was no public comment.

Barry Schrope advised he and Annette Mullen went to speak with Wayne Leshar Inc. about the bid for the building addition (copy on file). Barry advised they went over the bid and made some adjustments. The bid total is \$102,516.10 with the changes. Annette Mullen made a motion to award the building addition bid to Wayne Leshar Inc., Barry Schrope second the motion, with all in favor.

At the regular monthly meeting on September 2nd the supervisors spoke of an issue with the Duncannon Fire Co. Annette Mullen stated she has not had a chance to speak with Emergency Management yet.

Lester Nace stated at the meeting the solicitor asked him about obtaining information on the highway occupancy permit issued on Paradise Road. Lester indicated he has received a copy of the permit and other information and has dropped it off at Johanna's office. Lester stated a highway occupancy permit can only be obtained by the property owner and that was not the case here. Lester believes Johanna should send a letter to PennDot and request on behalf of Wheatfield Township that the permit be rescinded and after the permit is rescinded the road should be blocked off until such time as Mr. Worthy complies with the Township and does a Land Development Plan and then Wheatfield Township could apply for the Highway Occupancy Permit. Barry Schrope stated he will contact Johanna to send a letter to the state asking them to rescind the permit and send a copy the letter to the township and Mr. Worthy.

Barry Schrope stated the township has received the acquisition forms from Stantec, the right of way agent for the properties affected by the new Sulphur Springs Bridge. Those affected would be Mr. Gilbert, Mr. McNaughton and Mr. Hockenberry. Barry signed the forms; they will be returned to the engineer to send to the property owners to start the process.

There being no further business Barry Schrope made a motion to adjourn the special meeting, Jim Fuller second the motion, with all in favor. Meeting adjourned at 9:20 a.m.

Respectfully Submitted,

Vicki L. Jenkins
Twp. Secretary
