

A budget workshop meeting with the Supervisors was held Thursday, November 19, 2020 at 7:00 p.m. in the Township Building. The workshop was advertised as required by law in the local paper. Barry Schrope called the workshop to order at 7:00 p.m. Those present were Barry Schrope, Jim Fuller, Jeff Smith, Vicki Jenkins and Tom Berry.

The supervisors asked Mr. Berry to attend tonight's meeting so they could talk with him about his interest in being appointed to the Township Planning Commission. Mr. Berry stated he saw in the township newsletter there was an open position on the planning commission. Mr. Berry stated he was previously on another township planning commission and then on their zoning hearing board. The supervisors thanked Mr. Berry for coming to tonight's meeting and introducing himself to them. The supervisors will consider his appointment at the December meeting.

The supervisors looked over the 2021 preliminary budget from the October workshop. The only open item was the spring cleanup/recycling category. The supervisors agreed to increase the amount slightly from last year due to the price change and advised all other items looked good and that no other changes were needed. The 2021 budget will be adopted at the December supervisors meeting.

Jeff Smith made a motion to adjourn the workshop, Jim Fuller second the motion, with all in favor. Workshop adjourned at 7:35 p.m.

Respectfully Submitted,

Vicki L. Jenkins
Twp. Secretary
