OLD BUSINESS:

Jeff Beinhower reported he will work on low spots on the football field after football season.

Shawn Fuller will put Preen (grass control) on the softball fields in the spring.

Dave Mills will send thank you cards to Tuscarora and Drive Core.

Bob Foltz reported that he ordered the fence materials for the third ball field, estimated cost is \$3,825.

NEW BUSINESS:

Ron Baker from DAGSA attended the meeting and requested permission to use a vendor operated concession truck instead of the concession stand at Wagner Park. This is because it is so hard to get parents to work the concession stand. The vendor would be Huey Concessions from Halifax. Huey has liability insurance, would need the use of a 110 volt electric line and will post a sign stating the recreation board is not responsible for the food served. DAGSA will receive a percentage of the sales and will still donate to the recreation board. Dave Mills made a motion to allow DAGSA to use a vendor to serve food at practice and softball games. Shawn Fuller seconded. Motion approved.

Dave Mills reported that the thank you cards were sent to Tuscarora and Drive Core.

Bob Foltz reported that the safety green tee shirts arrived and each board member was given two shirts.

Dave Mills reported he put an article in the township fall news letter.

John Weldon reported the pavilion was reserved 33 times this summer.

Jeff Beinhower reported the water was not very hot in the concession stand. John Weldon will check to see if a heating element needs replaced.

Bob Foltz presented a proposed layout for the DCNR sign. Suggestions were made and Bob will update the layout and bring it back for review.

The next meeting will be November 16th 2010.
Shawn Fuller made a motion to adjourn at 7:30. Dave Mills seconded. Motion approved.
Respectfully submitted,

Robert E. Foltz
