Act One did not receive the check so they sent the second bill, and they will not charge any late fees. Bob will talk to the bank to see if they will waive the stop payment fee. If so he will issue a new check.

Phyllis Kreiger contacted Bob Foltz and told him the recreation board would be getting a check from Riverview Bank. She did not know the amount of money but it is to be used for playground equipment.

Dave Mills is waiting for an estimate for work to be done to complete Pavilion #2.

John Weldon will contact Carlton Williams to see if he is still going to paint the roof on Pavilion # 2. He will also contact Pyles Garage Doors to have the damaged door repaired when we get the money from football.

John Weldon will see that another plank is placed for the small bridge that washed out across the creek.

Dave Mills reported that he and Dave Linville seeded the ground by the historical plaques, they also repaired a damaged door in the ladies restroom.

Dave Mills introduced Landon Finger and he did a presentation for an Eagle Scout Project. He would like permission to build a Gaga Ball Pit a Wagner Park. The pit would be an octagon and require an area about 26' x 26'. The proposed area would be somewhere between the two pavilions. Jeff Beinhower made a motion to approve Landon's request to build a Gaga Ball Pit. Shawn Fuller seconded the motion. Motion approved.

Bob Foltz reported that Dave Mills and Dave Linville emptied and cleaned the large cooler. Someone set the temp control to high and everything froze. Need to come up with a way to limit the cold setting.

John Weldon reported that John Jackson (Eagle Scout Project) has the hiking trail from the power line road to Paradise Road cleared and he will be putting in posts to mark the trail.

John Weldon agreed to complete the work on Pavilion #2. He feels he can do the work and not exceed the money budgeted for the project. Thank you John.

The next meeting will be July 16th, 2019 at the park.
