Meeting Minutes

March 19th, 2024

Attendance Members:

Jim Fuller, Shawn Fuller, David Mills, John Weldon

Attendance Others:

Brian Swope, Mary Swope, Dave Jenkins, Jeff Smith, Paul Krieger,
Dave Jenkins, Dexter Potter

Agenda:

Call to order

Consideration of the February 20th, 2024 minutes

Public Comment

Correspondence

Discussion

Adjournment

The meeting was called to order at 6:30 PM by John Weldon.

The February 20th, 2024 minutes were reviewed and a motion was made to approve them as presented. Shawn made the motion for approval, Dave 2nd, all were in favor.

Public Comment:

Brian and Mary Swope asked about providing maps of the trail network that has been established in Wagner Park. Members stated that there is a map on the building that shows some of the trails but agreed it should be updated to include several added trails. As far as providing maps this will be discussed in the future.

Paul Krieger reported on his tireless pursuit to get wireless service to the park. He unfortunately stated he is not having much luck and requested help from anyone that might be able to help with this.

Correspondence:

Nothing important, just sales brochures about playground equipment and park accessories.

Discussion:

Shawn presented 2 estimates to fertilize the multipurpose field this spring and summer. Jim will try to get it scheduled as soon as possible since the fertilizer requires several applications.

A copy of the timeline for the bridge project from the Twp. Auditor was passed out. Dave reported this was presented to the BOS at the last Twp. meeting.

John reported the dumpster was filled with somebodies trash, He found a name and turned it over to the Twp.

Also discussed was the need to begin with trash service again. Jim said he will contact Sylvester Services to begin emptying the dumpster.

We also talked about some of the projects and ongoing maintenance that needs to be done such as playground mulch and grass planting. The Rec board was approached by a local Cub Scout group about helping with cleanup and small projects at the park. All were in favor of this providing they have the required insurance. Jim said he will contact them about what is needed.

Other Action:

A reminder to all interested that we will begin Wednesday evening work details beginning April 3rd and that the annual Twp. cleanup is April 18-20.

With no further business or discussion a motion was made to adjourn at 6:55 PM. Shawn made the motion to adjourn, Dave 2nd, all were in favor.

The next meeting will be April 16th, 2024 at 6:30 PM.

Respectively Submitted,
David Mills
