Discussion:

The first agenda item for discussion concerned Samples of requirements for various SALDO Projects. The PCPC recommended that these be added to the Twp. SALDO update.

Copies of the samples were then discussed and reviewed. The WTPC along with recommendations from the Twp. Engineer checked off the samples that were pertinent to the Twp. and will review these with the BOS.

The next agenda item discussed was the Driveway Ordinance. Jerry passes out the Model Ordinance he compiled and a review began. Several corrections and Section transfers were made to try to clarify any issues that may arise. A recommendation was also made to attach an application form to the Ordinance. Jerry will make the corrections for further review at our next meeting.

Other Action:

We also had a short discussion that we have received no information or response from the BOS on the Medical Marijuana Ordinance.

Bob stated he will invite the BOS to attend our next meeting.

With no further agenda items or discussion a motion was made to adjourn at 8:03 PM.

The next meeting will be July 11th, 2017 at 7:00 PM.

Respectively Submitted,
David Mills
