### **Correspondence:**

A form from the PA State Ethics Commission Statement of Financial Interests that needs to be filled out and returned to Vicki.

### **Discussion:**

A discussion began concerning "Well Isolation Areas" that are shown on subdivision plans. This is shown as a 100 foot circle surrounding the proposed well location on the lot.

This was brought to the attention of WTPC that it is confusing and could be an infringement on land use on adjoining lots.

It was noted that only primary and back up sewage areas must be used as shown on plans. The well location area is only a recommendation as to where the well should be located. Paul volunteered to research this and will hopefully gain some information to discuss at a future meeting.

**Other Action:**

None

With no further discussion or agenda items a motion was made to adjourn at 7:30 PM.

Dave J. made the motion to adjourn, Travis 2<sup>nd</sup>, all were in favor.

The next meeting will be March 8<sup>th</sup>, 2022 at 7:00PM

Respectively Submitted,  
David Mills
